SPOTLIGHT ON...

We're Hiring!
If you're an undergrad interested in working for us, apply for ENGL 390. This course will prepare you to work as a writing consultant in the Writing Lab. The course is designed to guide you in tutoring writers through theory and practice. Students will discuss and learn what it means to assist writers who all have different wants, needs, objectives, pressures, and identities.

Writing Lab Consultants develop communication and leadership skills. Consultants also gain the attention of prospective employers, regardless of field or discipline.
