Special English Conversation Group: Focus on Media

Mar 12 | 11:30pm - 12:30pm

Starting this Friday, March 5, the Writing Lab will begin offering a media-focused English language conversation group. This group will meet virtually every Friday from 11:30 am to 12:30 pm. Sign-up is available through the online schedule system. Many students immerse themselves in academic English and have little exposure to social language use in English. One way to expand English vocabulary is to engage with multimedia sources. The Friday English Conversation Group (Media) will be a place to engage in authentic communication through a variety of TV genres including News, Sports, Drama, Comedy, Music, etc. Come watch TV series and shows and learn social language in English.
