### Intensive Writing Experience for Thesis & Dissertation Writers (IWE)
In collaboration with the Purdue Graduate School, the Writing Lab will once again offer the Intensive Writing Experience for Thesis & Dissertation Writers (IWE) during the summer of 2021. The purpose of the IWE is to give masters and doctoral students in good standing with their programs time to write or to revise their thesis or dissertation with support from Writing Lab staff. Participants will receive writing instruction and support from Writing Lab staff, will spend significant time writing or revising their thesis or dissertation, and will network with other graduate writers on campus.

Applications will be accepted starting April 19, 2021. The process includes input from your thesis or dissertation advisor.
